The image shows the Cisco Packet Tracer software interface. On the left, a network diagram is visible with a central router labeled 'R0-PT Hermes' connected to four PCs: PC-PT A, PC-PT B, PC-PT C, and PC-PT E. A red lightning bolt icon is connected to the router. A 'Server-PT ATOM' is also connected to the router. A 'Command Prompt' window is open in the center, displaying the following text:
